**PUNTA DEL ESTE, Uruguay (Jan. 10, 2013)** – Novelist A.C. Frieden piloted a Cessna 177 along the Uruguayan coast from the trendy resort town of Punta del Este all the way to the capital Montevideo and back. “The flight is part research, part sightseeing, and part training,” said Frieden prior to taking to the skies. “And the flight path follows one of South America’s most scenic areas.”
